

Decree of Godly Thoughts

Father, I come to you in the name of Jesus, washed by the His blood and guided by the Holy Spirit. I ask for Your forgiveness for allowing ungodly thoughts and all corruptible seeds to lay hold of my memory, soul or any part of my being. I repent for coming into any agreement or entertaining the voice of the stranger and every fiery dart from satan's kingdom.

I take my authority as Your child and I bind, blind, mute and deaf every mind-binding spirit, deaf and dumb spirit, every tormenting, deceiving, condemning, hindering, lying spirits of bondage, insanity, deception, perversion, fear, jealousy, anxiety, anger, pride, resentment, familiar, anti-christ, oppression, infirmity, slumber, every strongman and any other spirit associated with any stronghold in my life and cast them out of me and chain them to the fallen angels in hell forever. In Jesus Name.

I curse every corruptible seed that was planted in my mind, memory, eyes, ears, heart, imaginations, emotions, dreams and will. I command that these corruptible seeds wither and die, breaking their power and loosing myself from every associated spirit with these seeds. I now cast out and chain these spirits to the fallen angels in hell forever; putting a blood line of Christ Jesus around these areas protecting me from evil penetration, in Jesus name. I now bind my mind to the mind of Christ and my spirit, soul and body to the presence of the Lord, His love and truth. In Jesus name.

I decree that Godly thoughts will now arise and reject ungodly thoughts by taking them captive and casting them down. I now gird my mind with the helmet of salvation and increase my faith with the shield to prevent fiery darts from leaving an impression. I decree that I have a sound mind that cooperates with the mind of Christ and that He Who is in me is greater than he who is in the world. In Jesus name.

I now submit to God and resist the devil, casting my cares upon the Lord because He cares for me. I receive the love of Christ and the filling of the Holy Spirit with peace, joy and righteousness. I thank You Father for my new freedom and want to be a witness of Your power to the world.

In Jesus name. Amen
