

TERRITORIAL PRAYER

In the name of Jesus, I take my authority and bind every foul, unclean, seducing, hindering spirit of darkness, every strongman, principality and territorial spirit of the water, land, air and sea. I bind every spirit of witchcraft, sorcery, occult, divination, anti-Christ, false religion, bondage and addiction. I bind every spirit of Jezebel, Ahab, Baal, Allah, Diana and queen of heaven. I bind all mind binding and controlling spirits, familiar spirits, spirits of rebellion, gossip, criticism, offense, division, and strife. I bind all spirits of immaturity, cobra, leviathan, spirits of fear, anxiety, stress, worry, death, murder, stealing, and lying. I bind every spirit of deception, anger, hatred, jealousy, pride, arrogance, and corruption. I bind all spirits of perversion, whoredom, adultery, molestation, incest, abuse, pedophilia, pornography, prostitution, lesbianism and homosexuality. I bind the spirits of greed, covetousness, love of money, false worship, idolatry, debt, lack, poverty, ungodly music, and the prince of the power of air. I bind all spirits of insanity, depression, oppression, suicide, unforgiveness, laziness, compromise, course jesting, foul mouth, unbelief, doubt and complacency. I bind all spirits of resentment, revenge, judgment, exaggeration, delusion, blindness, apathy, apostasy, and the Judas spirit of betrayal. I bind the spirits of multi-personality, miscarriage, misconception, blindness, and deaf & dumb spirits. I bind every inherited spirit and spirit of infirmity and any other spirit under the authority of satan's kingdom. I bind, blind, mute and deafen these spirits in the name of Jesus, cutting off their communication and driving them out of the territories of myself, my spouse, children, family members, those I'm praying for, church members and co-workers. I drive them out of our neighborhoods, schools, places of employment, local city and state offices. I command these spirits to loose our families, relationships, possessions, homes, health, seeds, harvest, inheritance, finances, jobs and projects. I loose our destiny, dreams, vision, calling, ministries, outreaches, whatever we put our hands to and wherever we set our feet today. I also bind all territorial spirits that will come against my relationship with the Lord, the move of the Holy Spirit and angels working on my behalf. I do all this in the authority and name of Jesus Christ. I cast all these spirits into the pit and command them not to return. I apply the blood of Jesus to all these territories and ask for the assistance of the angels in protecting them, in Jesus Name.
